

I don't know what to say
I don't know what to do.
I just know you're sad
And I'm thinking of you.

I can't make you happy
I can't cure your grief
I just hope this hug
Can bring you some relief.

Whenever you feel lonely
And tears have filled your eye
Let me own the shoulder
On which you lean to cry.

And why do I say this?
Why do I make this plea?
Because I'm quite certain
You'd do the same for me.

I'm here for you.
